VoicePad sends agents a Lead Notification via email and text message.

Consumers call your VoicePad Info 24-7 phone number, enter the property code and listen to a **high-quality audio presentation** that VoicePad **automatically assembles in both English and Spanish.** While on the phone call, home buyers can also request a text link to your property webpage.

If home buyers want to speak to you immediately, VoicePad rings all of your phone numbers simultaneously to ensure these valuable callers do not get away. With VoicePad, consumers get the property information they desire and **you receive their phone number** (and name, if available)—*in real time.*
